GB11625

Presenting a new and improved range of Milward elastics. Including a more extensive range of general purpose elastic in widths 6mm - 40mm in black, white and natural colours, providing great versatility for all of your projects from craft to dressmaking. There are new additions to the more specialist elastics range including 'ballet elastic' in 3 colours, 'plush back' and 'non-roll elastic' available in both black and white.

The full range is free of plastic waste packaging to the end consumer.

SHIRRING ELASTIC - Elastic thread perfect for crafting, jewellery and dressmaking. Suitable for smocking and gathering fabrics and welts in knitwear.

ELASTIC CORD - Narrow elastic cord perfect for crafting, bridal wear and accessories. Suitable for millinery and can be used to gather soft fabrics, such as a sleeve or neckline to create a ruche effect.

6MM & 9MM ELASTIC - Narrow braided elastic for general use. Suitable for using in swimwear as it is strong and hardwearing.

12MM & 40MM ELASTIC - Soft knitted elastic, perfect for general use due to its suitability for a wide variety of uses. Suitable for sportswear and other garments as it is hardwearing with lots of stretch.

NON-ROLL ELASTIC - Strong woven elastic that prevents rolling and twisting. Perfect for waistbands as it is strong, resilient and has plenty of stretch.

PLUSH-BACK ELASTIC - Soft, plush backing providing extra comfort against skin with a decorative edge that make it perfect for underwear. Latex Free.

BALLET ELASTIC - Durable braided elastic which is perfect for replacing worn or torn straps on ballet shoes. Strong and long lasting.

BUTTON HOLE ELASTIC - Suitable for using on garments where adjustments are required such as waistbands, with evenly spaced holes along the length.

The full range can be washed at 40°C and tumble dried without losing any elasticity or shape. Not suitable for dry cleaning. All sold in packs of 5
